## Elwood Community Bank Branch

*A message from our sponsor:*

As a community focused bank based in the city of Elwood, we are pleased to support and present the inaugural **Elwood Community Bendigo Bank Chess Championships of 2005**.

Bendigo Bank believes successful customers and successful communities create a successful bank. By helping customers achieve their financial goals, we are rewarded with a larger share of their business and others are attracted to us. And through our banking services and initiatives which help communities to improve their prospects, we will become more relevant to them and so create a pool of customers eager to access our services.

As we enter a new millennium, our methods are more sophisticated but our motivation remains unchanged - to help our customers succeed and our towns and districts to flourish. If we do that well, Bendigo Bank and its shareholders will continue to share their successes.

*\* A message from the organisers:*

- First prize (\$2000) is guaranteed. Other prizes are dependant on entries.
- Light refreshments will be provided at the Closing Ceremony - we encourage all participants to be present at this ceremony.
- To receive any concession or discount from the full entry fee proof of eligibility must be shown at the time of payment.
- The FIDE Laws of Chess will be used, under the direction of IA Gary Bekker.
